Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Office the documents listed on the attached Form PTO/SB/08. This Information Disclosure Statement is being filed after the events recited in 37 C.F.R. § 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, a Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this Information Disclosure Statement is accompanied by a fee of \$180.00 as specified by 37 C.F.R. § 1.17(p).

documents previously submitted in a prior application, Application Serial No. 09/971,028, filed October 5, 2003, upon which Applicants rely for the benefits provided in 35 U.S.C. § 120. Applicants respectfully request that the Office consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

### **Submitted Copies of Office Actions**

The United States Court of Appeals for the Federal Circuit held in *Dayco Products, Inc. v. Total Containment, Inc.*, 329 F.3d 1358 (Fed. Cir. 2003), that an “adverse decision” by another examiner may meet the materiality standard under amended 37 C.F.R. § 1.56 and, thus, applicants should disclose prior rejections of “substantially similar claim[s]” to the Office. Accordingly, although Applicants do not represent that the Office Actions in the co-pending applications are material to the present application and do not admit that any of the other claims are substantially similar, out of an abundance of caution Applicants have listed the substantive Office Actions issued in co-pending applications on the attached PTO/SB/08. At the Office’s request, Applicants have not included copies of those Office Actions issued in the co-pending applications by the present Examiner of this application.
